## **Policies and Procedures for Cornerstone Academy**

### **252 Missing and Absent Children<sup>o</sup>**

The Board believes in the importance of trying to decrease the number of missing children. Therefore, efforts will be made to identify possible missing children and notify the proper adults or agencies.

A student at the time of his/her initial entry to school shall present to the person in charge of admission any records given to him/her by the elementary or secondary school s/he most recently attended and a certification of birth\* issued pursuant to Section 3705.05 of the Ohio Revised Code or a comparable certificate or certification issued pursuant to the statutes of another state, territory, possession, or nation. Within twenty-four (24) hours of the student's entry into the school, a school official shall request the student's official records from the elementary or secondary school s/he most recently attended. If the school the student claims to have most recently attended indicates that it has no records of the student's attendance or the records are not received within fourteen (14) days of the date of request, or the student does not present a certification of birth or comparable certificate or certification from another state, territory, possession, or nation, the Principal of the School shall notify the law enforcement agency having jurisdiction in the area where the student resides of this fact and of the possibility that the student may, be a missing child, as this term is defined in Section 2901.30 of the Ohio Revised Code.

If the School receives notification from a law enforcement agency that it has made a missing child report for a current or a former student, then the School must mark the student's records so that whenever a copy of, or information regarding the records is requested, any School official responding to the request is alerted that the records are those of a reported missing child. In addition, when a request of records or information is received, the person in charge of admission must immediately report the request to the law enforcement agency that notified the School that the student might be a missing child. When forwarding a copy of, or information from the student's records in response to a request, the School must do so in such a way that the receiving school is not able to discern that the student's records are marked. But, the School must retain the mark in the records until notified that the student is no longer a missing child. Upon notification by a law enforcement agency that the student is no longer a missing child, the School must remove the mark from the student's records in such a way that it would be impossible to tell that the records were ever marked. See **Appendix 252-A** for the Missing Child Reporting and Marking Form.

The School will also immediately give notice of the fact of a missing child to the Ohio Attorney General's missing children clearinghouse. The School will also assist parents in the case of a missing student by coordinating with the missing children clearinghouse.

Informational programs for students, parents, and community members relative to missing children issues and matters are available from the School, including information regarding the fingerprinting program. The School's informational programs are based on assistance and materials provided by the Ohio Attorney General's missing child education program.

The primary responsibility for a student's attendance at School rests with his/her parent(s) or guardian(s). Parent(s)/guardian(s) must notify the School on the day a student is absent unless previous notification has been given in accordance with school procedure for excused absences. The person in charge of admissions is also required to notify a student's parents, custodial parent, guardian, legal custodian, or other person responsible for him/her when the student is absent from school. The parent or other responsible person

shall be notified by telephone or written notice shall be mailed on the same day that the student is absent. Parents or other responsible persons shall provide the School with their current home and/or work telephone numbers and home addresses, as well as emergency telephone numbers.

The procedure for absences is as follows:

1. A parent must call the School to inform the School that his/her child or children will be absent from School. This phone call should take place within the first hour that School is in session.
2. If a parent fails to call the School as prescribed in Part A, School personnel will call the parent to inform him/her of the student's absence.
3. In those cases where telephone communication could not be made, School personnel will initiate a written communication to the home of the legal guardian the day of the student's absence.

\*May substitute any of the following documents for a birth certificate: 1) a passport or attested transcript showing the date and place of birth of the child; 2) an attested transcript of a birth certificate; 3) an attested transcript of a baptism certificate or other religious record showing the date and place of birth of the child; 4) an attested transcript of a hospital record showing date and place of birth, or 5) a birth affidavit.
