CA Annex Families,

After a year and a half of separation, it's time for us to come back to the building! Thank you so much for your partnership and trust with our dedicated staff to make the best out of an impossibly difficult situation. ***Your dedication and trust paid off! Cornerstone Academy Annex raised its performance index score from its previous score of 83 from the Spring 2019 OST's to a score of 90 on the Spring 2021 OST's. Your child is part of the top scoring school in the entire ACCEL Schools network, and possibly the state of Ohio! Go Annex!!***

There are frequently asked questions that we hope to address in this letter to make sure everyone knows how this year is structured, when things will happen, and where to find the information you need.

Q: *Are students required to be vaccinated to attend the Annex?*

A: Not required, but encouraged as a proven safety measure.

Q: *Will students be required to wear masks this year?*

A: Not required, but recommended if they haven't been vaccinated. Covid-19 is still a factor we must consider.

Q: *Will students be learning online this year?*

A: All students are required to come to the building to attend their classes this year. However, all students will still be assigned a chromebook, and will be using the Canvas platform for some of their assignments and homework completion. Some work will now be given in a paper-pencil format too. Be watching for an invitation to come to the Annex to pick up your child(ren)'s chromebook soon.

Q: *Where can I find a copy of the dress code, school calendar, student-parent handbook, and the supply lists?*

A: All of these items are posted online at <http://www.cornerstoneacad.org> under the "Resources" tab. Make sure the link you select says (Annex)

Q: *When can I meet my child(ren)'s teachers?*

A: Open houses are scheduled for the following dates and times:

Student Screening Notification

Per board policy we need to inform you that our school screens for speech, vision, and hearing in the beginning of the year to assess our students and identify any undetected needs. These screenings pertain to speech and hearing screenings for 9th, and 11th grade, and new and teacher referred students enrolled at Cornerstone Academy for the 2021-2022 school year. These screenings are scheduled for September 1st and 2nd at the Annex.

Take time to enjoy these last couple weeks of summer. Make sure your student has started working through their **summer reading assignments**, and get ready for a fantastic year!

See everyone soon,

The Annex Team
