

Positively *IMPACTING* every child, every day.

July 23 2021,

Dear Cornerstone Families,

Welcome to another exciting school year! It is a pleasure to have you back after such a strange time the last two school years. With that being said, I want to thank you for all the effort at all levels that you and your family gave your child/children during this unprecedented time. We are excited to have our students back and give us the opportunity to really reach out to the whole student, in every way. Good news from this past school year is that we scored the highest AIR test performance index in the whole network!!!! This is all due to our fantastic teachers that did not let go of expectations regardless of the times and your support throughout the processes, challenges, and unexpected changes.

Below I want to share some important dates before the beginning of August. If any changes arise to the info below, you will be notified in a timely manner:
