

## For Incoming Juniors: Grade 11

**Student Name:** \_\_\_\_\_

**Elective Options for 2022-23:** Please list the top four electives you are interested in for each semester. Please focus on fulfilling the Elective graduation requirements if you have not already met them: 2 semesters of PE or flex credit earned through alternative pathways, 2 semesters of Fine Arts, 1 semester of HS Health.

**Year-Long Options:** HS Band or HS Choir

Please indicate if you wish to take band or choir, which are full year courses.

BAND: \_\_\_\_\_

CHOIR: \_\_\_\_\_

2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_

**ELA Electives:** You **MUST** take one course each semester. For S1, please choose either Ancient Literature or British & American Literature through Film. For S2, please choose either Creative Writing. or Science Fiction. List preferences below, but you **MUST** have two semesters of ELA to meet graduation requirements.

S1 \_\_\_\_\_ S2 \_\_\_\_\_  
 S1 \_\_\_\_\_ S2 \_\_\_\_\_

**Science Options:** You must select one science course for next year. Please choose either Chemistry or Anatomy and Physiology.

Science selection: \_\_\_\_\_

**Math Options:** All students are required to complete four full credits of Math in order to graduate. Your Math selection will be determined by the math you completed this year.

**If you took Algebra I or Integrated Math I, please select Geometry.**

**If you took Geometry or Integrated Math II** this year, please select one of the following courses to complete the graduation requirement of taking Algebra II or an equivalent: **Algebra II, Statistics and Probability, or Computer Science Principles AP** (requires teacher permission—if this course is being taken for Math credit, it may NOT also count as an elective credit).

Math selection: \_\_\_\_\_

**Social Sciences Options, if applicable:** ALL students must complete one semester of American Government and one semester of Economics and Financial Literacy. Any rising Junior who has already completed one or both of these requirements through CCP courses (i.e. successful completion of POLS 1100 and/or FMGT 1101) **may choose** to take one of the following Social Science electives; however, **please remember that these are optional, not required** (you may take one, both, or neither).

S1: Introduction to Psychology. S2: History Through Film.
