 S1 \_\_\_\_\_ S2 \_\_\_\_\_  
 Y \_\_\_\_\_ (if applicable)

**Math Options:** All students are required to complete four full credits of Math in order to graduate; one of those credits must be either Algebra II or an equivalent course. For those who still need to complete that requirement, you **must** select one of the following courses: Algebra II, Statistics and Probability, Computer Science Principles AP (requires teacher permission—if this course is being taken for Math credit, it may NOT also count as an elective credit). If you have completed your Algebra II equivalent, your Math options are: PreCalculus (year-long), Statistics and Probability, or Applied and Financial Math.
